

# 1<sup>st</sup> I.C. FaBE 2013 successfully held in Skiathos island

1<sup>st</sup> Fabe 2013 held in Skiathos Island was a successful story of scientific knowledge & enjoyment...now in 2015 Mykonos is the new venue for 2<sup>nd</sup> Fabe 2015.....

The 1<sup>st</sup> International Congress of Bio-systems Engineering and Food (FaBE 2013), organized by the Department of Biosystems Engineering and Food Department of Biosystems Engineering, TEI of Thessaly, Larissa, Greece was successfully held in Skiathos island at Skiathos Palace Hotel from May 30<sup>th</sup> to June 2<sup>nd</sup> 2013.

The conference program consisted of a wide range of parallel sessions which covered 2 major topics and 24 sub-themes,. In the course of the Conference more than 180 participants from 39 countries worldwide, presented 155 papers focused on novel technologies and developments in Engineering, Agricultural and Food Industries, shared their views, thoughts and gave valuable contributions to academic thinking.

Furthermore in a special session four invited speakers provided their advanced expertise in Food & Bio-systems Engineering to the participants while three young students were awarded a prize of excellence in the best poster award competition held during the Conference.

Along with the academic participants a number of innovative Food Industries participated in the Conference and presented their new high quality products. The participant in parallel to the scientific program enjoyed the sun and the sea of the Aegean Sea, Greek wine and Mediterranean Food, the hospitality of the local people and danced all together during the Greek night event.
