

## 4<sup>th</sup> I.C. FaBE, 2019

### *Abstract Guidelines*

Authors should upload the abstract of their paper using the **Abstract and Paper Submission Form** following the online instructions at Conference web site, until **25 January 2019**. In order to submit your abstract or paper you can use the following direct Conference link: [Abstract and Paper Submission form](#)

The abstract in **word format** should include the following and the font must be Times new roman or equivalent:

- a) In Page Configuration, the left and right margins of the page should be equal to 2.5 cm and also the same for the top and bottom margins. The paragraph should have a line space of 1.5 line.
- b) Leave one blank line to the top of the page.
- c) Write the title of the Abstract or Paper. Use font: Times New Roman bold with size 14. The entire length of the title should not exceed 120 characters. Fully justified.
- d) Leave one blank line after the title.
- e) Write the name /es of the author /rs. Use font: Times New Roman bold with size 12. Center justified.
- f) In the next line write the Address of the author /rs. Use font: Times New Roman regular with size 10. Fully justified.
- g) In the next line write the E-mail of the corresponding author. Use font: Times New Roman regular with size 10. Fully justified.
- h) Leave one blank line after the corresponding author e-mail.
- i) Write the word **ABSTRACT**: Use capitals and font: Times New Roman bold with size 12. Left justified.
- j) In the next line write your abstract. The abstract should be a manuscript of at least 10 lines up a maximum of 20 lines. Please use the Font: Times New Roman regular with font size 12. The text should be fully justified in paragraph with a line space of 1.5 line.
- k) Leave one blank line after the abstract.
- l) In the next line write the word **Keywords: (in bold font size 12)**. Then you can write up to 8 keywords (in regular font size 12) that describe better the key points of your work.
