

4th I.C. FaBE, 2019

Poster Instructions

Authors should present their posters at 4th I.C. FaBE, 2019 organized in *Crete island* according to the following guidelines:

Instructions for Poster Presentations

1. The dimension of the poster should be B1 (1000 mm x 707 mm).
2. The orientation of the poster should be Vertical.
3. The background of the poster should be white or a light background (light grey, light green or light blue) and the fonts should be black.
4. The authors should emphasize the results of their research and their conclusions using bullets.
5. The author/rs of the paper should use more pictures, figures and diagrams in the poster rather than plain text.
6. The pictures, figures and diagrams in the poster should be colour and of good image quality.
7. The author/rs should use the following font styles:
 - a. The title of the paper in capital, bold letters (font size 72) and centre justified.
 - b. Names of the author/rs in small, bold letters (font size 48) and centre justified.
 - c. Address of the author/rs in small letters (font size 36).
 - d. Text headings with font size 36.
 - e. Continuous text with font size 20-24.
